### **Bluegrass Invasion announces its latest CD release**

Keeping the flame of the bluegrass gospel tradition, Bluegrass Invasion of Nashville, Tenn. has released its second recording, *His Child on Earth*, a 13-song collection that feeds the soul with heartfelt, spiritual singing and playing.

*His Child on Earth*, recorded for Stonewall Records in Hendersonville, Tenn., has something for every gospel music lover's taste – from classics such as “Get In Line Brother,” “Farther Along,” and “Wicked Path of Sin,” to the traditional-flavored title cut “His Child on Earth” and “Justified,” two of six contemporary compositions.

*His Child on Earth* is the second release from Bluegrass Invasion on Stonewall Records. In November 2002, the band released its debut CD, *Bluegrass Invasion*, which includes 10 songs familiar to bluegrass listeners and two original numbers. It is available at concerts and can be ordered at [www.bluegrassinvasion.com](http://www.bluegrassinvasion.com).

Radio announcers are encouraged to give a special listen to these three pick cuts:

- #1 *His Child on Earth*
- #2 *Justified*
- #7 *Sing a Joyous Song*
